

Carrer de
l'Espígol

This is an aerial photograph of a residential neighborhood. The map shows several streets with red-tiled roofs and green spaces. Blue lines connect text labels to specific locations on the map. There are two yellow 'PL' signs and two yellow and red striped rectangular signs. Two blue 'P' parking signs are also visible, one with a red circle and slash over it. The labels identify 'Carrer de l'Espígol', 'Carrer de l'Ermita', and a parking area on 'Carrer de la Pedrera'. A larger text box describes the parking area as being for caravans and vans.
